**Decided**  
**(Article One)**

**The texts of Articles Nos. (8), (9), (10) (11), (15), (19), (25), (28) of Ministerial Resolution No.**  
**186 of 1978 referred to, the following texts:**

**Article 8**

**The request for registration in the aforementioned register shall be made within thirty days**  
**from the date of the start of production for the facility, on the form prepared by the**  
**competent administrative authority and a decision shall be issued by the Minister**  
**responsible for industrial affairs.**

### **Article 9**

The application referred to in the previous article and upon renewal shall be accompanied by copies of the following documents:

- 1- Operating license
- 2- A recent extract from the commercial register.
- 3- Certificate of registration in the industrial chamber

### **Article 10**

The request to amend the data of the aforementioned register or some of it shall be on the form prepared by the competent administrative authority and a decision shall be issued by the Minister responsible for industrial affairs, with regard to data that have a fundamental impact on the production capacity of the facility or its legal status, and in particular:

- (a) Changing the name of the facility or its owner.
- (b) Changing the capital of the establishment
- (c) Changing the production capacities of the establishment

The Board of Directors of the competent administrative authority may specify other essential data when it meets any of the aforementioned criteria

Provided that the aforementioned application is submitted within ninety days of the occurrence of the change, accompanied by documents indicating

The occurrence of the amendment, especially the documents specified in the previous article

### **Article 11**

The application for renewal of registration in the industrial register shall be on the form prepared by the competent administrative authority and a decision shall be issued by the Minister responsible for industrial affairs, accompanied by documents indicating the occurrence of the change in the original value data, if any, within the limits of the documents mentioned in Article Nine of these regulations and the documents that the interested party deems necessary to submit.

### **Article 15**

The owner of the establishment shall be granted a certificate of registration, amendment or renewal in the industrial register in accordance with the provisions of the second paragraph of Article 4 of Law No. 24 of 1977 referred to on the form prepared by the competent administrative authority and issued by a decision of the Minister responsible for industrial affairs. The interested party shall be notified of the registration, amendment or renewal procedure by registered letter with acknowledgment of receipt or by hand delivery after signing the receipt. When any data of the establishment is amended, a new registration certificate shall be issued in accordance with the amended data.

### **Article 19**

The interested party shall be notified of the content of the deletion decision by registered letter with acknowledgment of receipt to the address of the establishment.

### **Article 25**

The Secretary of the Grievances Committee shall have the following powers, taking into account the deadlines and procedures stipulated in Law No. 1 of 1977 referred to:

- 1- Implementing the directives of the Chairman of the Committee
- 2- Preparing notifications to the members of the Committee and the interested parties, and sending them after their approval by the Chairman of the Committee before the date of the meeting with sufficient time
- 3- Preparing the agenda of the Committee and the necessary reports  
Its and fulfilling what the committee requires
- 4- Recording the minutes of the committee's sessions and decisions and signing them before the signature of the president

and members, in a special register prepared for this purpose, numbered and with the pages stamped with the official state seal

### **Article 28**

Employees of the competent administrative authority who have the status of judicial police officers shall record the violations committed by the owners of the establishments in violation of the provisions of Law No. 24 of 1977 referred to, on the form issued by the competent administrative authority, in implementation of the provisions of Article Nine of this law

**( Article Two)**

A new article numbered (16 bis) shall be added to Ministerial Resolution No. 186 of 1978 referred to, with the following text:

With the approval of the head of the competent administrative authority, the facility may be granted a conditional industrial record, until the facility fulfills any of the data, documents and procedures stipulated in Articles (8) and (9) of these regulations or stipulated in any of the laws and decisions in force.

The granting of the industrial record in accordance with the provisions of the previous paragraph requires proof of the seriousness of the industrial project, and a decision shall be issued by the Board of Directors of the competent administrative authority to determine the controls of the conditional industrial record and the seriousness of the project.

**(Article Three)**

The applicable treatment shall continue to be applied until the forms are issued in accordance with the provisions of Articles (8), (10), (11) and (15) replaced in this resolution. The temporary industrial records in effect at the time of implementation and this resolution shall also continue to be applied until the end of the period specified therein or until the year of inspection in accordance with the procedures in force at the competent administrative authority, whichever is closer.

**(Article Fourth)**

Any text that contradicts the provisions of this decision shall be cancelled

**(Article Five)**

This decision shall be published in the Egyptian Gazette and shall be effective from the day following the date of its publication
